Designed to help practices with special circumstances

Our Workforce Advocacy service was designed to help practices with special circumstances, whether this be 19AB exemptions, 19AA exemptions, Visa issues or any special cases in relation to your GP workforce. We invest considerable time, cost and energy into understanding the various legislation around General Practice.

Depending on the case, there are many avenues that we work through whether this be appealing to relevant departments or media campaigns. We work together with you to find a solution tailored to your specific situation.

Our process

Costs

- Price is determined on a case by case assessment.
